

## Notice of Wastewater Permit Modification

Pursuant to San Francisco Public Works Code, Article 4.1, § 125(d), notice is hereby given that the San Francisco Public Utilities Commission (SFPUC)'s General Manager is modifying Ermico Enterprises Class I Wastewater Permit No. 16-05545 wastewater effluent limitations and prohibitions to include the permittee is authorized to discharge all wastewater through the side sewers from the facility except that no discharge of the permittee's aluminum casting process wastewater discharges as described in 40 CFR Part 464 is permitted. This modification is due to new information that would have justified the application of different permit conditions at the time of issuance.

A copy of the permit modification is available upon request by contacting Brenda Donald at (415) 695-7310. The above permit shall become final 15 calendar days after the date of this posting, unless a public hearing request is filed (see below).

**Public Hearing Request:** Any person who deems that his or her interests or property or that the general public interest will be adversely affected by the renewal of the permit may request a public hearing within 15 calendar days of the date of this posting. (S.F. Public Works Code § 125(e). If the aforementioned 15-day appeal deadline expires on a weekend or holiday, the filing date shall be the following business day. Upon receipt of a timely request for a public hearing, the General Manager of the SFPUC or his designee shall hold a public hearing after giving notice as required by San Francisco Public Works Code Article 4.1, § 129(b). A request for a hearing must be submitted in writing, by U.S. mail or email to:

SFPUC WWE  
Pretreatment Program Manager  
3801 Third Street, Suite 600  
San Francisco, CA 94124
